

...Go Global, with Glosel

About ●

Glosel's is committed to build and support a world-class distribution network and use it to provide the best services possible for our customers. Glosel is making great progress in achieving this vision. We have an extensive network in South East Asia. We serve over 13 countries in the region. We validate and contract with supplier partners. We ensure that they can deliver high quality products and match our service requirements. We take extra ordinary efforts in meeting our client's regular supply requirements and ensuring prompt delivery of the products. Our procurement and logistics tracking systems are built around that goal.

Glosel Singapore Pte. Ltd. is a privately held company established in April 1999. It is headquartered in Singapore and soon to establish offices in the US and Europe. The people behind Glosel are an experienced team of young professionals in the industry for over ten years.

Glosel Singapore is a global distribution company of pharmaceutical drugs and intermediates. We have a strong source of suppliers from India and China. Glosel has customers in over 15 Countries. We are strongly committed to fulfill our goal of providing a total purchasing and distributing solutions to our customers and we are focused towards providing excellent service to our customers.

Medical Supplies

Glosel Products are distributed from the finest distributors with an uncompromising concern for quality. Exhaustive inspection of every item by our trained quality control staff ensures strict compliance with Glosel standards for performance and durability. And the commitment to manufacturing excellence is backed by the industry's most extensive warranties.
